

Shivam Rajput

+91 9389844498 — rajputshivamrajput280@gmail.com — LinkedIn — GitHub

Summary

Aspiring Computer Science student with strong foundations in Data Structures & Algorithms, competitive programming, and full-stack development. Solved 700+ DSA problems across multiple coding platforms and built real-world web applications using modern technologies.

Education

Galgotias University, Greater Noida Bachelor of Technology in Computer Science	Aug 2023 – Jul 2027 GPA: 7.6
Wisdom Public School, Aligarh Senior Secondary Education (Science)	Apr 2022 – Mar 2023 70.00%
Wisdom Public School, Aligarh Secondary Education (Science)	Apr 2020 – Mar 2022 83.00%

Skills

- **Programming Languages:** Java
- **Frontend:** HTML, CSS, JavaScript
- **Backend:** Node.js, Express.js
- **Databases:** SQL

Projects

- | | |
|-----------------------------|--|
| LinkedIn Auto-Poster | MERN Stack, Node-cron, Groq AI, LinkedIn OAuth |
|-----------------------------|--|
- Automated weekly LinkedIn posts by tracking GitHub coding activity and generating content using Groq AI.
 - Implemented LinkedIn OAuth 2.0 authentication and MongoDB Atlas for persistent data storage.
 - Scheduled automatic post publishing using node-cron and deployed the application on Render.
 - Resolved UTC scheduling issues and free-tier sleep limitations to ensure reliable delivery.
- | | |
|------------------------|------------------------------|
| PainPointFinder | Node.js, Express.js, MongoDB |
|------------------------|------------------------------|
- Developed a platform to discover and analyze user pain points from online discussions and feedback sources.
 - Built RESTful APIs using Node.js and Express.js for efficient data processing and management.
 - Integrated MongoDB for storing categorized insights and problem statements.
 - Enabled users to identify real-world challenges and explore potential startup or product opportunities.

Achievements

- Achieved a LeetCode Contest Rating of **1509**.
- Solved **700+ coding problems** across LeetCode, CodeChef, and other competitive programming platforms.
- Strengthened problem-solving skills through consistent participation in coding contests.

Certificates

- SQL Certification — CodeChef
- Java Problem Solving Certification — CodeChef
